#### HARI RAYA EDITION

## FORWARD By Marc loh

Selamat Hari Raya!

#### Dear colleagues,

kin

The last two months has seen LOH & LOH Group securing some additional works from Vale, namely the RM6.5million Vale Warehouse to add to the original Vale Building contract of RM40million. The Group has also recently completed Phase 1 of Idaman Hills, Selayang as well as opened our Phase 2 – 2 ½ and 3 Storey Bungalow Show houses to the public. The sales of our Idaman Hills is going strong with 85% sales and the opening of the Show Houses should bolster our sales. Please visit if you have yet to do so to see the fruits of our development team.

Some of you may be aware that we are trying to improve the utilisation of our assets. Our Plant and Machinery division has been undergoing some changes for the past year to streamline and improve operations. This division has been changed to a Profit Centre to improve efficiency, control cost and maximise our plant and machinery assets. Tan, Goh, Pillay, Zaini, Yap and the entire P&M staff have been doing a good job especially since we have increased our plant size several folds to over 120 plants. As at July, we have a plant utilization of over 90% and the Nilai store is now almost empty. There is much more to do but the P&M team is working hard so keep up the good work!

We are FINALLY renovating a major portion of our head office after planning for a few years. After spending close to 20 years and being probably the oldest and longest occupant in our block of offices, I think it is high time that we do some major renovations. We have been there so long that we ended throwing 5 lorry loads of old documents and some documents are as old as 15 years. We are investing close to a million ringgit for this renovation to improve our overall working environment and to try to restructure the space utilisation as we continue to grow. I thank everyone for their patience and for tolerating the dust, but you should have much a much nicer office with bigger toilets especially for the ladies when we are finished.

On the social front, we recently had a Buka Puasa function at SOULed Out! and had a fun time of sharing and comradeship. Buka Puasa is held only among close friends and family members, and LOH & LOH is a family! I would like to thank the SRC again for organising these events to strengthen our bonds and to share and interact in this event. The team is now working hard and planning our Annual Dinner in November with a very special theme, so get ready and watch out for more news about the event.

LOH & LOH Group has donated RM63,000 to the National Kidney Foundation (NKF) as part of our Corporate Social Responsibility to contribute to society and improve the living standards of those less fortunate than us. The NKF is raising RM200,000 to purchase two haemodialysis machines, and has arranged a fund-raising show named Empress Wu, a Dama Orchestra show on 29.09.2012 @ 3pm at KL Pac. In addition to our donation, the company has obtained 200 tickets for the show, which will be open for sale to staff on a first come, first serve basis and all proceeds will be donated to NKF. As this is a honourable and charitable cause, I would like to encourage all staff to donate what they can to help meet the target of the NKF by buying the tickets or even just an outright donation. Kindly contact our Persons in Charge (PIC) for more info.

## I'LL STOP THE WORLD AND LAUGH WITH YOU

"I'm not stealing it. I'm moving it closer to my house."

DON'T MESS WITH GRANDMA

An elderly Florida lady did her shopping and, upon returning to her car, found four males in the act of leaving with her vehicle. She dropped her shopping bags and drew her handgun, proceeding to scream at the top of her voice, "I have a

What's Your Name. Again? Two elderly ladies had been friends for many decades. Over the years they had shared all kinds of activities and adventures. Lately, their activities had been limited to playing cards a few times a week.

One day when playing cards, one looked at the other and said, "Now don't get mad at me. I know we've been friends a long time, but I just can't think of your name. I've thought and thought. but I can't remember it. Please tell me what your name is.

Her friend glared at her. For at least three minutes she just stared and glared. Finally she said, "How soon do you need to know?"

gun, and I know how to use it! Get out of the car!" The four men

didn't wait for a second invitation. They got out and ran like mad. The lady, somewhat shaken, then proceeded to load her shopping bags into the back of the car and got into the driver's seat. She was so shaken that she could not get her key into the ignition. She tried and tried, and then it dawned on her why.

A few minutes later, she found her own car parked four or five spaces farther down. She loaded her bags into the car and drove to the police station. The sergeant to whom she told the story could not stop laughing. He pointed to the other end of the counter, where four pale men were reporting a car jacking by a mad. elderly woman described as white, less than five feet tall, glasses, white hair and carrying a large

#### THE MEANING OF EID MUBARAK (Hari Raya Aidilfitri) By Azwana Azman

It used to be the most anticipated event of my life every year when I was growing up. It still is, but the joy of young age and the 'carefree life have left me.

Shopping for new clothes. decorating the house, making cookies, those days, I jumped to the sound of it, thrilled of going out, browsing from rack to rack for a matching outfit for the whole six of us. My mon will shout at me to watch out for my other siblings. Night before Hari Raya, we will be busy

decorating the house, putting all cookies in the jar, hanging the the new curtains, changing the sofa cover, playing bunga api; listening to Hari Raya songs one after another. All of us kids will talk about how much duit raya we can collect the next day and how far we will walk to collect it. Some of the neighbor's kids will inform us (from their experience) which house gave big duit raya and which house was stingy. We will plan our journey. We will walk from morning (came back from the mosque) until evening. The amount that we collected was not much, but we were happy. It was enough to keep the spirits of Hari Raya within us. In the morning of Hari Raya, all the elders of the family will be seated and we

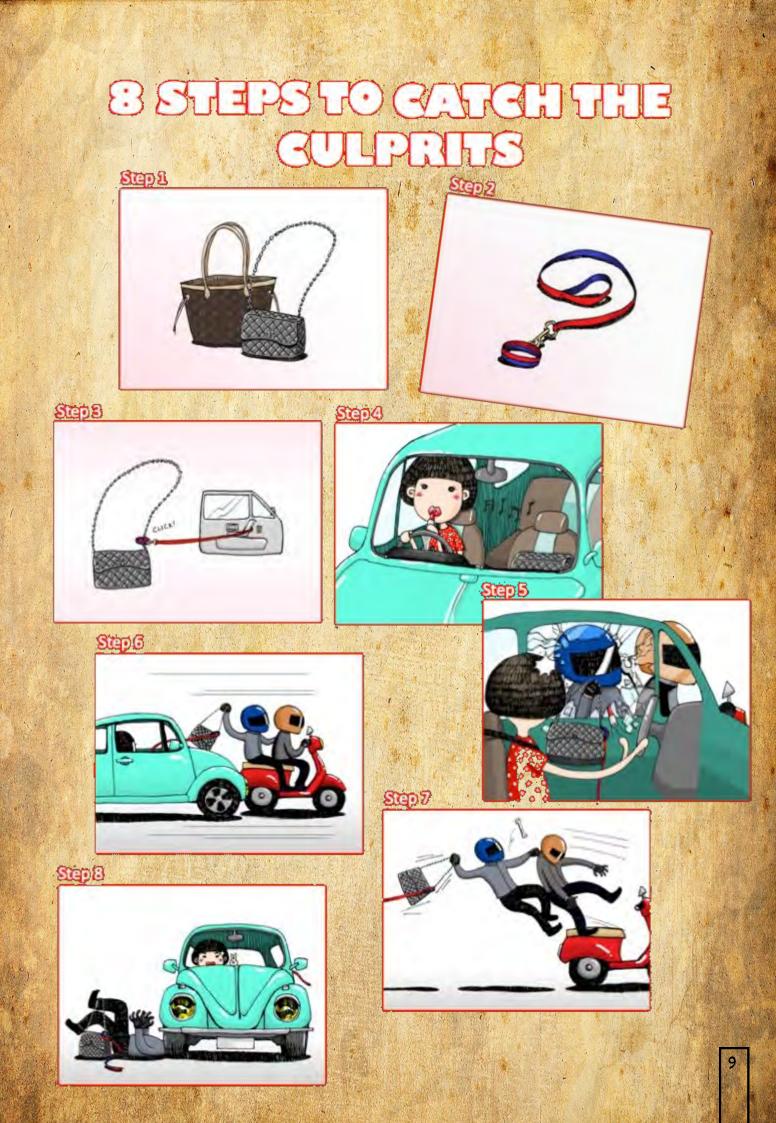

kids will line up to ask for forgiveness for all of our misbehavior throughout the year. We cried and reminisced about our family memories. It is always a nostalgic day. It is how I remembered Hari Raya, it is how it should be.

I am almost 30 now, last Hari Raya was great, but it was not thrilling enough. It was not nostalgic enough. I told my grandmother about it. You are an adult now she said. The kids did not line up to ask for forgiveness until we ask them to. They are not busy planning

to. They are not busy, planning for duit raya, everything will be given to them easily. There are no children knocking on the door visiting. It was different. And, for that it sadden me. Changes are good, but certain things should stay the same. And family values and the Spirit of Hari Raya definitely should stay like how it should be. This is how I want to remember them and it is what it means to me.

#### ANNOUNCEMENT

We would like to take this opportunity to wish all our Muslim friends Selamat Hari Raya Aidilfitri dan Maaf Zahir dan Batin
