WHAT OUR C.E.O SAID BY MARC LOH

A GLAM HOLLYWOOD NIGHT!

I hope everyone had a fun and glamorous Hollywood Annual Dinner this year! I am pleased to see so many of our staff, clients and associates dressing up and having a good time for our yearly get-together. We even had some international and galactic stars such as Michael Jackson, Wolverine, Darth Vader, Queen Amidala, some Mexican fella, etc attending this event. My wife and I had a great time to meet and have a few drinks with everyone. As the company grows bigger, this event becomes more important as a yearly opportunity to meet and get to know the people in the group. We currently have 700 employees split over 20 projects all over the country, making it difficult to meet and the Annual Dinner is one of the best events to get all of us together, although there is always some site staff that will have to sacrifice attending the event due to work or distance. I thank all these staff for their commitment and dedication. I would also like to thank the Annual Dinner organizing committee for a job well done and look forward to next year's event.

The past few months have also seen the group doing some Corporate Social Responsibility (CSR) work with the group donating a total of RM400,000.00 to two charitable foundations, the National Kidney Foundation (NKF) and Persatuan Pusat haemodialysis Prihatin Tengku Besar. As a corporate entity, the management and shareholders believe in a philosophy of contributing to society through business. This is an important philosophy for the group as the business of the group grows, the group can do more to help our society. Each and every one of you plays an important role as your contribution to the group enables the group to help and contribute to society. I thank all of you for your contributions especially those that took time off to assist and watch the Empress Wu Musical for the National Kidney Foundation (NKF).

LOH & LOH Group will continue to grow in terms of profitability and revenue this year barring any unforeseen circumstances thanks to our exceptional track record, strong financial standing, but most importantly, our dedicated, talented and experienced workforce. As the year draws to an end, our annual Staff Assessment Report (SAR) exercise will be carried out. As usual, I urge all staff to make full use of the SAR to track performance and to understand their strengths and weaknesses. By understanding our weaknesses and capitalizing on our strengths, we can continue to improve and truly become a performance-based organization.

HOW TO USE THE FIRE EXTINGUISHER?

STEP BY STEP TRAINING BY OUR OWN SAFETY OFFICER EN. ROSMAN

On 6th October 2012, Saturday around 10.30am, our Safety Officer, En. Rosman, has conducted a step-by-step training on how to use the fire extinguisher. This training has taken place at the residential area near our HQ. So all the participants, in case of fire, you will be the front liners!

EMPRESS WU THE MUSICAL

OUR FIRST MUSICAL THEATER EXPERIENCE

On last 29th September 2012, we had our first musical theater experience with Empress Wu The Musical. This interesting play was presented to us by Dama Orchestra at KLPac, Kuala Lumpur. Loh & Loh and NKF (National Kidney Foundation), have been working together to raise fund for NKF, to enable them to purchase 2 units of haemodialysis machine with a total cost of about RM200K.

The response that we got from the staff, suppliers, contractors and business associates were very good. The hall was packed and everybody seems to enjoy the show. We would like to take this opportunity to thank everybody involved in this charity program for their hard work. Maybe in the future, we can use our experience for a good cause again. Thank you!

"I would like to thank you for inviting me to the interesting Empress Wu stage musical performance with meaningful charity commitment for the less fortunate last Saturday. It was an amazing performance by our fellow Malaysians with arts and emotions, and I've even recommended to my colleagues. I'm also sincerely glad that your company involves in projects to contribute to the society in needs"
