BERBUKA PUASA

L2P1B TEAM & ENGGANG TEAM

On 17 June 2016, at Langat site office, LP21B team & B.Enggang team had a warm Majlis Iftar. At approximately 7.30pm, after prayers, the whole team together with consultant, clients, subcontractors and suppliers joined to have a nice dinner for buka puasa. To add on to this joyous event, the below VVIP guest had graciously joined us.

Mohamad Mohamad Nor – Head of Commercial PAAB,

Hj Kamaruddin Hj Abdul Razak – Head of Special Project PAAB,

Abdullah Mubarak Saffian – Project Manager PAAB,

Hj Zariiffudin Othman – Project Coordinator PAAB. (Ustaz)

Variety of food were prepared which include local delights like Satay, King of fruits “Durian” pulut with santan, grilled chicken, nasi kampong, ikan kembong bakar served on fresh banana leaves, etc. Top management had even shared their interesting experience in “dissecting” durians with clients. With the fresh cool air around Langat site, we enjoyed these scrumptious dinner, in the nature environment. The Langat site was lighted up with bamboo torches, which makes the environment even warmer and pleasant.

Lastly, we would like to forward our deepest appreciation to the Langat team and Bukit Enggang team for making this dinner a success.
